

The Miracle of Chinese Characters (The Logic and Wisdom of Chinese Characters)

Von: Chen Ruixiang (Professor of the Beijing University of TCM and Director of the Center for International Education Research of the Beijing Municipal UNESCO Clubs Association); China
Commerce Press, Beijing, English translation: M.S. Ching Gebauer
ISBN 978-7-5044-6817-8
Format: 25.5 x 19.5cm; umfang: 200 Seiten

Beschreibung: This book is the fruit of innovative research on the system of modern Chinese characters. Logic paired with culture as a learning aid in the 88-character Chinese teaching method. The 1098 colorful illustrations, 699 calligraphic carvings and genuine manuscripts of famous calligraphers manifest the chronological formal development of the 8 character styles.
